Arctic Ice Arena "IN THE BUBBLE" Jr. Fury House League

Bubble Teams

Arctic Jr Fury season will be played "In The Bubble" meaning all teams from Arctic will only play other Arctic Bubble teams. This will allow all players to limit risk by not playing any outside or non-bubble teams. All teams will be created based on parity. This means that when doing team evaluations the talent level is split evenly amongst the teams. Arctic cannot ensure that your child will be on the same team as a friend or past coach and drafting players based on parent request is **not allowed** with the exception of siblings.

Schedules

Upon completion of rating sessions, coaches will hold a draft and assemble teams on parity. Schedules will be issued for team practices and power-skates for each playing level.

Included in Fees for 2020-2021 Season

Power-skates, goalie training, practices, 20 Bubble league games, one pair of game socks and one game jersey.

Other possible fees would be team parties, apparel, or extra ice time.

Arctic Jr. Fury is committed to excellence in our house league program. Each player will receive extensive evaluation during the course of the season, highlighting skills that need improvement.

Goalie Training

Goalie training sessions will be held on weekdays during our power-skate ice slots. Dates and times TBD.

Due to the high cost of goalie equipment, all full- time house goalies will receive a 35 % discount when rosters are official.

House League Coordinator: Chris Cimoch Sr
