ARCTIC ICE ARENA LEARN-TO-SKATE

REGISTRATION POLICIES

IMPORTANT:

The learn-to-skate program is designed to help skaters feel comfortable on the ice and teach basic balance, coordination and maneuvering. The program is also based on the **US Figure Skating Learn To Skate** program. Class instructors make learning fun with songs, games, toys and challenges for younger skaters.

Skaters must be able to walk in skates to participate. It is recommended that all **first time skaters regardless of age** try on and walk in a pair of skates off of the ice **PRIOR** to registration. Absolutely no refunds are issued once a skater is registered.

Classes with 4 or less skaters **WILL BE COMBINED** with other classes or be canceled.

CLASS PREPARATION

Figure skates are recommended for **ALL beginners** for the first session of lessons. **No double blades allowed! Absolutely no refunds are given once a child is registered for class!**

Please arrive **EARLY** for each class. Extra time is needed to properly lace up skates and check in.

Please avoid wearing cotton socks in skates. Thick socks can cause blisters and do not keep feet warm. Thick socks will necessitate the skater to wear a larger skate which may not properly support the skaters' feet and ankles. A nylon type thin sock is recommended for all skates.

Instructors are available to answer any questions a parent might have before or after any class. Beginner classes meet off ice on the first day of class in order to check skates to see that they are laced properly and fitted correctly.

Skates are available to rent for \$2 per class and are highly recommended. Rental skates are kept sharp and made of leather, not vinyl. This is important so that ankles are properly supported.

It is imperative that parents remain away from the glass and rink doors while classes have started and remain seated in the bleachers or lobby. **ABSOLUTELY NO PARENTS ARE ALLOWED ON THE ICE IN SHOES.** Parents are a great distraction to the entire class. Please be courteous to the instructors, class and fellow parents and allow our instructors to do their job without interruption. Please leave the teaching to the staff and be patient. It takes time to learn to skate!

NO MAKE UP CLASSES

Snow Plow Sam Program

Snowplow Sam levels are designed to help the pre-school age skater develop preliminary coordination and strength to maneuver on the ice. After Snowplow Sam skaters will progress to Basic skills level 2.
