Evaluation Process-

Each player will go through a 2-day evaluation process. On day one, the players will go through a series of drills that will focus on their skating, stickhandling, passing, and shooting. All personal skills. Day two will consist of a full ice scrimmage, so coaches and Hockey Director can watch player in a game like situation, and properly evaluate. This process gives the coaching staff an efficient way to rate each player, and make teams as balanced as possible.

MUST ATTEND 1 SESSION TO BE PLACED ON A TEAM

Schedules-

Once the evaluations are finished, the Hockey Director will hold a draft meeting with the coaches, and teams will be picked based on parity.
